

Call for Students to Submit Online Research Presentations

Registration deadline: February 26, 2018

Submission deadline: March 26, 2018

Student Research SHOWCASE

The Sigma Xi Student Research Showcase is an online science communication competition for high school, undergraduate, and graduate students.

- Students create a slideshow, abstract, and video about their research.
- Judges evaluate presentations April 16–30, 2018.
- Division winners are awarded \$500.
- A public vote selects the \$250 People's Choice Award winner.
- All participants receive feedback from judges.
