Sigma Xi Fall Nominations Campaign

Goal: Elect 1,000 New Chapter Members by November 30, 2020

Recognize research excellence while earning incentives for your chapter!

We invite Sigma Xi chapters to participate in the Society’s Fall Nominations Campaign to elect **1,000** new members. The campaign will run **September 1, 2020 through November 30, 2020**. In addition to growing your chapter and raising the Society’s profile at your institution, participating chapters will receive incentives as outlined below.

Level	Number of Initiates*	Reward
Platinum	76+ new initiates	Sigma Xi table runner, pop-up table sign, prize wheel, and Sigma Xi promotional giveaways
Gold	51-75 new initiates	Sigma Xi table runner, pop-up table sign, and a spin-for-a-prize wheel
Silver	26-50 new initiates	Choice of Sigma Xi table runner and pop-up table sign OR a chapter one-year Zoom license (Jan. 1 through Dec. 31, 2021)
Bronze	10-25 new initiates	Choice of Sigma Xi table runner OR a chapter six-month Zoom license (Jan. 1 through June 30, 2021)
*Any combination of regular, student, or transitional members. Please note that the annual local support for chapters is based on the number of regular dues-paying members only.		

For this year’s campaign, we’ve decided to offer Zoom licenses and cumulative promotional items as incentives for participating chapters. A Zoom meeting is a great way to maintain vibrant chapter connections while we’re social distancing. And although we may not be meeting face-to-face now, we look forward to seeing each other in person for research symposia, conferences, and other such opportunities in the future. The promotional items will be a great way to increase visibility of your chapter and add energy to any presentation!

How to Participate in the Campaign:

1. **Online:** Upload basic nominee information via our Chapter Nomination Form portal (found in “My Sigma Xi” when you log into the Sigma Xi website), then let us know how you want the dues and initiation fees paid. To make things easy in a virtual world, we can even send a payment link directly to your nominees!

Important Note: Please do not submit chapter initiates through the application portal of the Sigma Xi website. The application portal is for self-nominations only.

2. **Via Email:** Send your nominations, Certificate Order Form, and information about payment to chapters@sigmaxi.org before December 1, 2020.
3. **Via Regular Mail:** Send your nominations and Certificate Order Form with payment to the address below, before December 1, 2020.
